

Contemporary Tuscan Collection Overview

Made using the same time-honored methods as our Classic Tuscan Collection, our Contemporary Tuscan Collection is perfect for those looking to combine the quality and inherent beauty of traditionally-made terracotta pots with a stylish, modern aesthetic.

Elmira

Slightly tapered sides, clean lines and a single lip provide Elmira with an contemporary elegance. Looks amazing when paired with Eugenia or Boxwood globes.

Faxi

A contemporary take on a traditional barrel style planter. Faxi's larger proportions are well balanced when paired with strong plantings. Standard trees, palms or accents all work well.

Kerso

With extremely clean lines and smooth exterior, Kerso is a great option for a multitude of plantings. It is equally suited for simple or multi plantings and looks great in almost any setting.

Kito

A square planter with a contemporary feel, Kito offers endless opportunities for placement and plantings. Eugenia or Boxwood globes look particularly stunning.

Meteora

An oversized bowl style planter, Meteora can comfortably hold palms, single or multi trunked accents. Clipped Lemon and Orange trees look especially breathtaking.

Mika

A variation on the traditional rectangular planter with taller proportions. Mika is often seen softening walls or defining outside spaces with simple plantings and trailing accents.

Naxo

Taller proportions and an asymmetrical opening add to Naxo's allure. Choosing a placement and plantings that highlight its shape is the key to this unique planter.

Naxy

The grand scale of Naxy allow it to accommodate the growing requirements of larger plantings, accent trees, palms and specimens.

Niko

Being one of our tallest planters, Niko's clean exterior and shape makes a bold statement wherever it is placed.

Vaso Stretto Liscio

The narrower profile of Vaso Stretto Liscio make it a perfect choice for smaller spaces. Due to the smooth clean lines, many variations of plantings can be used successfully.

Vaso Stretto Rigato

The repeating curves adorning the exterior of Vaso Stretto Rigato add an element of interest that is highlighted when simple plantings are chosen. A great choice for inside or out.

Ytea

A low bowl with crisp modern lines, Ytea works particularly well when combined with shorter plantings, flowers or orchids.
